

Fish Frenzy

#96710 ...

Helium inflate and attach to ribbon.

#11277

11" Fish body: Ultra Hi-Float®, fully helium inflate 11" Big Polka Dots and tie off.

#18160

Lips and tail: Fully air inflate two 160s and tie together. Make two pinch twists to form "lips". Twist "lips" into knotted end of 11" to secure. Tightly wrap both ends of 160 around 11", then twist together to form tail. Secure with Balloon Bond.

#5101

Eyes: Air inflate a white 5" to 2" twist in half to create a duplet. Draw eyes with a permanent marker. Carefully secure by twisting into 160 "lips".

#5101

5" Fish body: Fully air inflate 5" Yellow and Pale Blue and tie off. Make a 2" bubble at the knotted end. Twist bubble in half to form two 1" bubbles. Draw eyes with a permanent marker.

#18160

5" Lips and tail: Fully air inflate 160 and release a little air. Fold in half and twist into middle of "lips" bubble. Tightly wrap both ends of 160 around 5", then twist together to form tail. Secure with Balloon Bond.

#18160

Flower collars: Air inflate 160, and tie both ends together forming a complete circle. Fold to make a Z shape with knotted end at the top. Grab the Z in the middle and twist together. Arrange into a flower shape and slip onto neck of 11" and just under the tips of the 160s as shown.

#18160

Stems: Air inflate ten green 160s to about 18" then slowly release air to form stem tips. Tie together to form a cluster. Tie into the base cluster with the uninflated ends of a 160 then trim the excess latex.
