

# Shoot For The Stars

**#97887**

Helium inflate. Attach adhesive tab to star point. Using an uninflated 260, tie to top of pole.

**#12925**

Air inflate to 8" and create a four-balloon cluster. Slip over pole. Twist two balloons around each other and the pole to secure.

**#5241**

Air inflate to 3" and create a four-balloon cluster. Slip over pole and twist two balloons around each other and the pole to secure.

**#304838**

**Begin with Ribbon Wrapped Pole:** Apply double-sided tape along the length of the pole. Beginning at the base, tightly wrap floral ribbon at a 45° angle, in an upward motion, to completely cover the pole. Trim excess ribbon. Tie an uninflated 260 around top of pole to secure.

**#11128**

Air inflate to 8" and create a four-balloon cluster. Slip over pole. Twist two balloons around each other to secure.

**#5128**

Air inflate to 4" and create a four-balloon cluster. Slip over pole. Twist two balloons around each other and the pole to secure.

**#12925**

Air inflate to 6" and create a four-balloon cluster. Slip over pole and twist two balloons around each other and the pole.

**#18284**

**Twistees:** Fully inflate then deflate. To curl, tightly wrap 260 around a cylindrical object approximately 1½" in diameter. Fully air inflate again and knot. Position around pole as shown. Tie ends into clusters and secure with Balloon Bond.

**#5128**

Air inflate to 3". Make a four-balloon cluster. Stack tightly over 5" cluster below.

**#5241**

Air inflate to 5" and create a four-balloon cluster. Stack tightly over cluster below, pushing downward and twist.

**#12925**

**Base:** Air inflate to 9" and create a four-balloon cluster. Slip over pole pushing downward. Cross two balloons around each other and the pole to secure.
