#97320

Air inflate and attach adhesive tab #3554 to the top of the ghost. Hang the ghost using monofilament line.

#97339

Air inflate and attach to ghost with Balloon Bond.

#87134

Air inflate both standard balloons and attach to the bottom of the ghost with Balloon Bond.

#18243

Create a curled twistee (see below) and attach it to the bottom of the design.

Curling Twistees

Fully inflate 260, then release air.
Tightly wrap un-inflated 260 around a cylindrical object approximately 1½" in diameter and secure tip to cylinder.
Fully air inflate and knot end.
Slide off cylinder.
